Boys' Brigade worldwide family to gather in Westminster

Members and supporters of the Boys' Brigade around the world will be gathering in Westminster at the end of November for a special event hosted by the Global Fellowship.

Guests at the event on 28 November will hear and see the very latest reports from the international gathering of young leaders held this summer in Uganda. There will also be news on the recent co-operation between the Boys' Brigade movements in the UK and in Cameroon.

Global Fellowship (formerly World Conference) is the umbrella organisation for Boys' Brigade and kindred organisations around the world. Global Fellowship supports national organisations with leader training and programme development as well as revenue-generating enterprises such as brick making and palm oil farming.

The Global Fellowship trustees are elected from around the world. The current group - from the Bahamas, Uganda, Denmark and the UK - will all be at the Emmanuel Centre on Marsham Street in November to meet their guests.

Anyone who would like to find out more about this special event or the ministry of Global Fellowship should contact the Global Fellowship office at Felden Lodge (admin@globalfellowship.net).
